M.A. (Punjabi)

M.A. (English)

The template of evaluation criteria of the University.

MAX. MARKS: 100

EXTERNAL: 70

INTERNAL: 30

PASS: 40%

Credits: 6

Evaluation: The students' progress is measured through the means of continuous evaluation and end semester examinations.

1. Continuous Internal assessment through assignments:

Assignments help the learners to recapitulate the theory and go back to the text again in case they are unable to answer a particular question. Thus, assignments also help to reinforce learning in distance and open learning system of education. The assignments will consist of a set of questions and activities that have to be answered by the programme participants by remaining at their own place.

Two assignments will be submitted by the learner for each course. The assignments will cover all or any types of questions (long answer type, short answer type, objective type, multiple choice questions and case studies).

Learners will be required to obtain thirty percent marks as pass percentage in each assignment separately. In the final result, assignments will carry thirty percent weightage.

2. Semester End Examination:

Semester end examination is the major component of the evaluation system and carries seventy percent weightage in the final result. The University will conduct end semester examination twice a year i.e., in June and in December. The learners can take the examination only after the completion of the course, failing which they can take the same in December or June of subsequent years but within the total span of the programme. In case any student fails to get a pass score in the semester end examination, they will be eligible to reappear in the next semester end Examination for that course as and when it is held but within the total span of the programme only.

The candidate is required to score at least 40% minimum pass marks in each course to pass that examination.

Updated Notification for the Learners: The information regarding the university policies and procedures, academic activities like assignment submissions, question papers, results and other notices related to examination and evaluation will be uploaded on official website of the university and registered mobile number of the learners.
